WORK EXPERIENCE

Ejam Inc - Semi-Senior Graphic Designer | *California, USA - Remote (Oct 2024 - Sept 2026)*
Product Ad Design Specialist focused on product and prospecting ads, advertorials, motion graphics, and GIFs across multi-brand campaigns for Meta, Google, and MediaGo.

- Collaborated closely with Creative Strategists to analyze campaign performance metrics and develop high-performing visual variations aimed at continuously improving ROAS across product lines for BugMD, Shameless Snacks, and Nova MD.
- Generated over \$1.18M in revenue through the design of 4,000+ high-performance ads, sustaining strong performance and maintaining consistent campaign results.
- Integrated GenAI workflows across creative ideation and production, using LLMs (ChatGPT, Claude, Gemini) alongside image and motion generation tools (Midjourney, Grok, Nano Banana) to accelerate asset production, visual exploration, and concept testing.
- Demonstrated strong reliability and execution in a fast-paced environment, maintaining clear communication with managers and Creative Strategists while consistently delivering high-quality work on time and within tight deadlines.

Freelance - Graphic Designer | *Remote (Sep 2023 - Oct 2024)*
Managed and executed diverse graphic design and illustration projects for international clients across multiple industries and formats.

- Created tailored visual assets for clients worldwide across a broad variety of projects, styles, and creative needs. Work included branding and logo design, social media content, advertorials, print materials, promotional graphics, and custom illustrations, often combining graphic design with original illustration to develop unique visual solutions adapted to each client's brand and audience.

Leo Publicidad - Graphic Designer / Manager | *Buenos Aires, Argentina (Oct 2022 - Sep 2023)*
Led social media content planning and creation, alongside the development of indoor and outdoor print materials.

- Rebranded the business through logo design, product catalogs, merchandise, banners, flags, and flyers, strengthening the brand's visual appeal for both existing and new customers.
- Handled advertising campaigns on Social Media and positioned business among competitors.

Digital Impress S.R.L - Graphic Designer | *Buenos Aires, Argentina (Mar 2021 - Oct 2021)*
Developed graphic materials for a wide range of clients, managed incoming large-format print files, and created social media content and advertisements.

- Designed large-scale billboards and signage while collaborating with other designers to ensure proper file quality, preventing inconsistencies in size, format, and color throughout the production process.
- Due to my previous work experience I provided constant assistance on several related tasks like controlling printing machines and vinyl cutter machines.

Actitud Grafika - Lead Graphic designer | *Buenos Aires, Argentina (Nov 2018 - Jun 2019)*
Managed business operations, social media content creation, client relations, and product logistics.

- Designed large-scale billboards for theater productions, along with flags, banners, vehicle graphics, and posters for government and municipal events.
- Developed visual identities for multiple local businesses, including rebranding, logo design, and merchandise.

Gold Dream - Lead Graphic Designer / Owner | *Buenos Aires, Argentina (Sep 2012 - Nov 2018)*
Overseeing social media management, content creation, client relationships, and product logistics.

- Delivered a wide variety of projects, including branding and logo design, indoor and outdoor signage, print materials, event and social media advertising, decorative wall graphics, and illustrations.
- Developed strong skills in problem solving, feedback receptiveness, visual conceptualization and time management through six years of working with a diverse range of clients and creative requirements.
- Built long-term relationships with local businesses, earning a strong reputation and generating consistent new business through client referrals.
